Located five minutes drive from Lleida's centre, and surrounded by vineyards and fruit orchards, gardens and breathtaking views, this new 40 rooms hotel boutique is a real privilege set in a balanced and harmonious setting.

The Prats family, long time experts in delivering quality, profession and exquisite service, move a step forward with the opening of this new concept establishment. Chocolate masters, devoted to work and with a long tradition in the catering services going back to 1906, they now open the doors of Finca Prats Hotel Golf & Spa ***** and invite you to discover and enjoy its magic.

The building, with its unique and sober lines, turns to be a stylish stop over for those looking for a quiet stay. Its 40 bedrooms are comfortable areas, individually designed, where light, space and views of the surrounding landscape are the main priorities and all the details have been taken into account.

The Hotel offers a quiet gastronomy, mixing tradition with contemporary trends, always using the best fresh natural market ingredients.

The BlanC Restaurant hosts charming evenings with exquisite gastronomy and local wines. The Fresh Restaurant is for those opting for a fresh and healthy meal after a Spa or Golf session.

The Library Lounge is a comfort area, ideal to share a drink and a chat in a cosy and relaxed atmosphere. It is also an excellent place for reading or after meals exchanges.

Our expert team will offer you a wide range of treatments to meet your needs, including Japanese *shiatsu* massage.

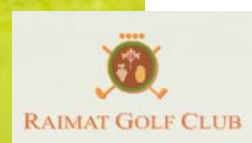

Let your peace of mind be your only concern and so calmness will enter you.

Located next to Raimat Golf Club, the resort is a must for those golf players wishing to round up the day with other interesting activities. An 18 hole course is ideal to improve skills, organize a tournament with customers or simply enjoy a family week end. Torreserona Pitch & Putt is only a 10 minutes drive.

Our cellar enables you to taste, get to know and share a wide variety of wines and 'cavas' in a highly unique setting, to celebrate special occasions. It is the perfect environment to hold gastronomic maridaje combination dinners.
